

Karen Simons  
Senior Counsel  
General Electric

Graduate of Colgate University and Albany Law School of Union University  
Private practice in commercial matters, bankruptcy and real estate prior to moving in-house with  
General Electric Company

Current Role –  
Senior Counsel in GE's Global Operations – Properties group primarily responsible for supporting  
the Power business and our Brownfield's program.

Karen also serves on the business development counsel and provides functional support to deal  
teams on real estate. I also support power development projects in Renewables including Wind,  
Solar, Thermal, Nuclear and Power Plant Development.
