

Timo Tschammler

MSc FRICS CRE

CEO Germany

International Director

Member of the German Management Board since 2012

Responsibilities

As the CEO, Timo Tschammler is responsible for the strategic direction and leadership of JLL in Germany. He focuses especially on service development projects and on organic and inorganic growth, which strengthen and diversify JLL's services.

Timo concentrates on the future viability of the company through the targeted expansion of JLL's position as market leader in Germany as well as consistent innovation of the company's profile as a thought leader in the real estate industry. Timo actively promotes the digitalisation of work processes by establishing partnerships within and outside the company in order to expand JLL's innovative strength and pioneering role. His goal is to resolutely align the company's capabilities with customer requirements and to continuously increase them as creatively as possible.

Prior to his appointment as CEO, as a member of the German management board Timo was responsible for various business lines and branch offices. In this role, he was already working to improve the cooperation of various business lines in order to build synergy and add value for our clients.

Employment History

Timo has more than 20 years of experience in the real estate industry. Prior to joining JLL, he was responsible for the German business of the DTZ Group (now Cushman & Wakefield) as CEO as well as in various management and board positions in London and EMEA.

Prior to his engagement at DTZ, Timo worked with Atisreal (now BNP Paribas Real Estate) in Germany and France. He left Atisreal as Head of the International Investment Committee and Director of the International Investment Team in France.

Education

Timo Tschammler is a real estate professional (Immobilienkaufmann, IHK), holds a diploma in business administration with a focus on real estate (Dipl. Betriebswirt Immobilienwirtschaft, BA), is a real estate economist (ebs) and a Fellow of the Royal Institution of Chartered Surveyors. He has completed a Master of Science in Real Estate at Nottingham Trent University / ADI.
