

CRE® THE COUNSELORS OF REAL ESTATE®

ABOUT US

The Counselors of Real Estate® is a distinguished global organization of commercial property advisors. The CRE® credential is synonymous with proven—and diverse—expertise, including in development, valuation and appraisal, institutional investment, asset management, brokerage, property management, real estate law, real estate academia and research, and corporate real estate. Experienced, innovative, and credentialed problem solvers across all real estate asset classes, Counselors have earned the prestigious CRE® designation.
